THIS IS UNEVALUATED INFORMATION  THIS IS UNEVALUATED INFORMATION  THIS IS UNEVALUATED INFORMATION  THIS IS UNEVALUATED INFORMATION  1. Sliven is being built up as a secondary, unofficial, and purely Communist capital of Bulgaria. The reason is that Sofia is too far away from the strategic parts of the country that really interest the Soriets. Sliven has been chosen because it is a large industrial center and is conveniently situated for Soviet strategic purposes; it has been the real center of Communists ever since Communist meaning Bulgaria.  2. Sliven is now the control point for Burgas and the Turkish frontier. In Yambol there is an important multiwary headquarters meant to control possible fubrar operations in the southeasts. Sliven has the most important prisons to which are sent important political leaders and those charged with resistance.
